President's Notes

By Joni Wasmund

Thoughts from the Council President

Psalm 14 starts out with a terrifying truth, that "The fool says in his heart, God does not exist." Although it isn't terrifying for us as God's children, it is certainly terrifying to us on behalf of those who do not believe in God's existence and consequently are not saved. As I read this Psalm on Valentine's Day, February 14th, it's a reminder that the love Jesus commands us to have for one another should cause us not to cast off the unbeliever as hopeless but to reach out to that soul and allow the Holy Spirit to work through us as we love on them and keep praying for the veil of blindness to be removed. The work of the enemy placed that veil over those eyes and we are commanded to continually pray for those we know need Jesus to come to know the Truth. Command is a pretty strong word that implies obedience and obedience is part of it but when we allow the love of God to flow through us, obedience becomes a strong *desire* to share the promises of God and hope that we have in Him. We look around us in the world today and wonder how God will ever penetrate the hearts of some people who are behaving in monstrous ways, but that part isn't ours to know. We just need to share what we have, not try to change a heart. Only the Holy Spirit can do that. Consider how joyful the day will be when we see the power of the Holy Spirit alive in someone we once saw lost and now found. The Bible gives us several examples of how heaven rejoices when one sinner is saved in the parables of the Prodigal Son, the lost sheep and the lost coin. And to be used for that purpose? Wow, what a privilege.

From the Desk of Pastor Breum

Dear Friends,

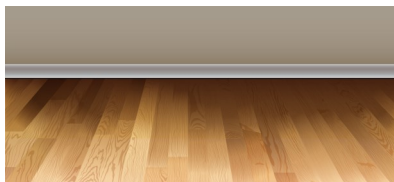

For those of you who watch the worship services on the television or computer, please know you are invited to participate in Holy Communion. We will be taking it here in church and you can be taking it in your home. This way we will all be having Holy Communion, making our time that much more sacred. So, on Communion Sundays, the first and third Sundays of the month, please have the Communion elements ready. When the Words Of Institution are being announced, this is when we will take Communion together. You will see me taking it with you. I am rather excited about adding this to home worship.

Those of you at home, please know we miss you and I know that you miss us. I can't wait for the day when we will all be together again. What a great celebration that will be.

We decided this week to prolong the confirmation time for our 2nd year class. The Confirmation service will be held next October 31st, 2021. This will be the second year in a row doing this, so it is not a new idea. Hopefully, next fall we can meet in person and the class will have opportunity to gel more into a family. It is hard to build friendships on Zoom. In September I will prepare the students to write their statement of faith paper. We will meet each week for all of September and October. The second-year students deserve more time together as we adjust to the effects of the virus.

God continually brings new people to our church who wish to join us. I am amazed at God's goodness in this. The Holy Spirit is the One who draws them. Praise be to God. Please do not hesitate to call and come and talk to me. I am not too busy. Our talk will be safe with our masks on. It is never wrong to speak to your pastor.

Pastor Terry Breum

WOW!!!

Have You Seen Those New Floors?

Those of you who are attending in person have seen the new flooring. For those of you attending online, you are in for a pleasant surprise when you are able to return. The two entryways, the hallway going to the back of the church, the bathrooms and kitchen all have new flooring. It looks awesome. We also have new cabinets in the Sunday School superintendent's office. The Council would like to thank the following people for making this possible including the anonymous donor for the monetary gift to do the floors; Robin Korom for overseeing the project; Roger Zuchowski and Keith Niles for picking up the cabinets; Lou and Robin Korom for purchasing, staining and varnishing the new cabinets; Deb Zuchowski for dealing with the contractors during the work day; and, Jim Schaufel and his hardworking guy crew... Ken Kerns, Carl Dunfrund, Keith Niles and Jeff McKenzie for doing all the prep work of removing trim, moving all the kitchen appliances, taking down the old cabinets and removing anything else that was in the way and then putting it all back together. What a nice facelift for when we can all get back together. THANKS ALL!

MISSOURI MUSINGS

BY BOB YARBROUGH

What Would We Do Without Friends?

Jim, an old friend of mine (whose wedding I performed back in the late 1970s, come to think of it) sent me this message first thing today:

"When God put a calling on your
life He already factored in your
stupidity."

Most comforting thing
I've ever heard.

That made me laugh. It was a great way to start the day. We all do and say stupid things. Sometimes we beat ourselves up over it. Let's hope we improve over the years. But Christ died for all that is worst in us, including the "You dummy!" parts. Let's confess to God (1 John 1:9), receive forgiveness, and move on!

And so my friend Jim reached out to me the way good friends do.

Friends are important for all kinds of reasons. They fill a basic human need: family is important, but so are close contacts outside our family. A good Christian friend will pray for us. By being friends with people, we open up connections to share Christ with them. Being a friend to others, caring for them, maybe even sacrificing for their sake--these things make us better people.

In friendship as in other areas of life, Jesus' saying holds true: "It is more blessed to give than to receive" (Acts 20:35). There is both a giving and a receiving to friendship that enriches us immeasurably and may even save lives--whether ours or our friend's.

For some people give up on their lives, maybe because they have no friend. There's another reason to be alert to those around us who may need someone to befriend them.

Friendship is rooted in how God made us, how he relates to us, and how we, created in his image, can relate to each other. God befriends those who trust in him. Scripture says that God spoke "to Moses face to face, as a man speaks to his friend" (Exodus 33:11). Abraham is called "a friend of God" (James 2:23). Jesus called his disciples friends (John 15:14-15).

He also hinted how he would express his friendship: "Greater love has no one than this, that someone lay down his life for his friends" (John 15:13). Call that the ultimate test of friendship. Jesus Christ did it for each of us.

A favorite St. Mark hymn is "What a Friend We Have in Jesus," and that's true. But there's another hymn that's worth singing on this topic: "I've Found a Friend." One verse goes like this:

I've found a friend, O such a friend!
So kind and true and tender,
So wise a counselor and guide,
So mighty a defender!
From Him who loves me now so well
What pow'r my soul can sever?
Shall life or death or earth or hell?
No, I am his forever.

Now that's a friend, and a friendship worth pursuing every day we are on this earth until we see in person the One whom we have thus far known only by faith. As Jesus told Thomas, "Blessed are those who have not seen and yet have believed" (John 20:29).

But we don't stop with celebrating Jesus' friendship.

We do what my friend Jim did for me today when he sent me that message: he thought of someone besides himself, reached out to me, and I'll bet prayed for me when he did (maybe that I would be cured of my stupid--a prayer I need: thanks, Jim!).

Now, how can I be the friend to Jim and to others today that Jim has been to me . . .

St. Mark Council News

To keep you better informed about Church Council decisions we briefly present the major items from our February 9, 2021 meeting. Should you desire in-depth information, please go to <https://smlc.info/minutes/> for additional Council and Committee minutes.

Important decisions from the February Council meeting:

In addition to St Mark Adult/Youth Missions, the following organizations were approved to receive Benevolence funding for 2021:

A Safe Place	ELIC (Missions)	LCMC
Behind the Walls	Feed My Starving Children	Love, Inc/With Purpose
Bob Yarbrough Missions	In Zone	Open Arms Mission
Compassion International	Kindred Life	PADS

St. Mark will be celebrating our 60th Anniversary this year. The groundbreaking took place July 9, 1961, our first worship service was held at the Lindenhurst Civic Center on October 1, 1961 and the first worship service was held at St. Mark on December 10, 1961. More to come on this exciting milestone for our church!

Cub Scout Pack 84 would like to give back to St. Mark by providing a Flag Box in which to place old flags to be retired properly by the Pack, with the opportunity for a formal retirement ceremony on St. Mark premises. Council agreed that this is a great idea and a box will be provided and installed by the Pack in the near future.

Our former Welcome Center was removed for the installation of our beautiful new flooring and the open space with a couple of chairs and small table looks especially inviting. We look forward to hearing thoughts from our Congregational Life and First Impressions committees on alternatives to the former Welcome Center. In the meantime, we all have the privilege of welcoming visitors as they enter our doors. Praise God for bringing them!

The next Council meeting is scheduled for February 9, 2021 at 7:00 p.m. in the Ed Center west wing.

I wish to express my sincerest thanks to all of you for the cards, prayers and thoughts I received for my dear Mom's passing.

She was so touched by all the birthday cards she received from so many of you when she turned 100 last May. You helped make that last birthday unforgettable. And now she's celebrating in the presence of our Lord and Savior, Jesus. Your love and caring mean so very much. Thank you, thank you, for being the blessing to me that you are.

*Love,

I'm writing this a few days after my Mom's passing after 100 years of life this side of heaven. Maybe that's why I'm writing a Voice article on Valentine's Day, out of love. She's worshipping God in His presence along with all of your loved ones who have gone before her. This life is only the beginning and we know eternity is forever. Thank you, Lord, for that. That said, the life of the cranky neighbor or the grumpy boss or the ornery colleague can start to change today for all eternity. During this Lenten season, one of the spiritual disciplines we're following, #3, is to tell another person, a friend, a family member, a coworker, a God story in your life every week during Lent. Discipline #4 is to forgive a long-held grudge. Both of these disciplines have the propensity to change a non-believer's life this Lenten season. If each of us chooses a person to share with 6 times, once each week during these 6 weeks of Lent, that's over 400 lives that might be renewed and celebrated in heaven. Just imagine!

MONTHLY BENEVOLENCE HIGHLIGHT

Feed My Starving Children and Open Arms Mission

With the generosity of the St Mark community, we are able to tithe as a church and support a number of worthy charitable organizations. We do this every year, but we decided it would be a good idea

to inform the congregation about the organizations we support by highlighting one each month. Since we started late, we will actually highlight two organizations this month. *Feed My Starving Children* and *Open Arms Mission*.

Open Arms Mission

Open Arms Mission is a local food bank located on Highway 83 south of Antioch. There is a great need to supply food for the hungry in Lake County especially during these hard times. We give them 10% of our allocated benevolence budget which amounts to approximately \$7000 per year. We were also able to give them an extra \$2000 of unallocated money at the end of 2020. In addition to this we also have monthly food drives at the church to help fill their pantries. Thank you to both the members of St. Mark for your generosity, and Open Arms for the great service they provide for the needy in the county.

Feed My Starving Children

Feed My Starving Children is an international organization that packages food staples to send to starving people in third world countries. The nearest facility is located in Libertyville. They rely on volunteers to come and package the food for delivery. As a church we have sent a number of groups at different times to volunteer. Our youth have been especially active with this project. We allocate 5% of our benevolence budget, or approximately \$3500 a year, to this wonderful cause.

Next month we will highlight With Purpose (formerly Love Inc.)

Servant Keeper: Church Membership Software

You may or may not have noticed already but we have begun sending out our daily devotions from Servant Keeper, our church membership software. The email will be delivered from no-reply@servantpc.com and it is completely safe to open. Our plan is to continue to send the daily devotions, the weekly signup links for service, monthly Voice newsletters, and other important mass communications from the Church through the software.

If you are a new member, you should have also seen an invite from this address to set up an account to be able to access your personal profile. In this email, there will be a link provided to "Manage My Family" where you can create a password and log in to view and edit your family/personal information and verify the accuracy of the information that is already there.

If you are an existing member who did not activate your profile, or if you are a regular attender and have not actually joined us as a member but are still interested in receiving communications, please let us know and we will provide you with a link as well. The link does expire after a certain amount of time so if you were not able to set yours up previously, just contact the office and we can send another active invite for you.

If you do not have on-line capabilities, and have had a change in address, phone, or family profile, please stop by the office or give us a call and provide your information and we will make sure your profile is updated.

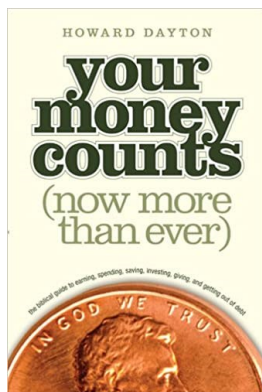

The more complete and up to date our information is, the better the software will serve the church and keep all of you informed. If you have any questions, please give us a call at 847-356-8140.

What's on the Shelf?

Your Money Counts

By: Howard Dayton

This month's book selection, *Your Money Counts*, by Howard Dayton shows us how to follow biblical principles to manage our money. With the economy reeling in the wake of the pandemic, many people are experiencing such financial challenges as credit card debt, downsizing, dead-end jobs, and inadequate or depleted savings. With these challenges come others as well. Recent studies confirm that more than half of all divorces are the result of financial pressures at home. And spiritually, many people are struggling to maintain a biblical perspective amidst the constant tug of materialism. But there is hope. The Bible has a lot to say about money. In fact, the Bible is a veritable blueprint for managing your finances. In *Your Money Counts*, trusted financial expert Howard Dayton shows you how to manage your personal finances in a highly practical, biblically-based way. You can find this book under call number 332 DAY.

It should not take a Pandemic to.....

Greetings from the Stewardship Committee which includes Laurie Kerns, Peter Bolender, and me, Carl Norlin. I have served on Stewardship for nearly 20 years. During that time, the committee has struggled with how to encourage our members to use online giving. Well, the good news is that our members have increased the use of online giving by many-fold. The bad news is the Pandemic drove that unintentional improvement.

So why is online giving beneficial?

First off you do not have to fill out those envelopes and carry them or mail them to church.

There is a cost savings when the church does not have to print and mail those envelopes.

There will be no more offering checks to write.

Regular and consistent giving helps our church with budgeting. It evens out the annual giving, especially if you are on vacation or are a "Snow-Bird". Your offering always comes even when you are gone. You can even schedule special offerings long before the date.

Online giving has all the giving categories including, not limited to, Debt Retirement, Flowers, Holiday giving and special offerings such as Memorials, to name a few.

It helps the counting teams (a volunteer committee) with less checks to count and tabulate.

It assists our Financial Secretary, Patrice, in tabulating giving reports since all information is provided electronically.

To help you, see the information below that outlines where and how to start online giving. Let us continue to increase our participation in online giving. It should not take a Pandemic to sign-up. So Sign-up today!

Here's what you can do to continue your support to St. Mark. Go to the St. Mark website at www.smlc.info.

Go to [Give](#) at the top of the page.

Tithes & Offerings appear.

You have three (3) options.

Click Here for – to be redirected to a secure website for online donations by credit card, debit card, or checking account information.

Click Here for – to download and print a form that can be returned to our office (to the attention of "Financial Secretary- Patrice Sutton") to be set up for automatic recurring withdrawals.

Click Here for – to be redirected to the GivePlus+ website which explains everything associated with the smartphone app GivePlus+. Using this app, you can use your smartphone to make either a onetime or reoccurring donation to St. Mark.

Thank you and stay safe and healthy.

God's blessings – The Stewardship Committee (Laurie Kerns, Carl Norlin and Pete Bolender)

U.S. Flag Retirement Collection Box Coming Soon!

Cub Scout Pack 84 is grateful to be chartered and supported by St Mark and will soon be providing a U.S. flag retirement collection box for congregation members and the public to submit their old, worn, frayed, and/or faded U.S. flags for respectful retirement. A Cub Scout ceremony to retire the flags will be held once or twice a year as needed. As soon as details become available, we will let you know when and where to look for the collection box, and when the retirement ceremonies will be held.

Vacation Bible School Is Coming!!!

The Parish Ed Committee is **urgently** looking for a VBS Director. (Thank you Kayla W. for heading the past few years.) The Director would be working with a VBS team... with lots of support available. VBS 2021 is scheduled for June 21-25, if we are able to have it in-person. If not, dates for virtual presentation to be determined. Please prayerfully consider volunteering for such an important outreach.

Camp Timber-lee

Hello campers! We have been notified that Camp Timber-lee has reopened and they are moving forward towards what they hope to be a summer where kids can connect with God. To do this, they need to get kids to camp. The camp is open to kids Grades 2 - 12. Children have the opportunity to perform various service projects for the church. Each task is worth a specific amount of points which transfers into dollar amounts, not to exceed \$250. Plus, we have been given three \$100 vouchers to award to kids! Taylor Schultz, a representative from Camp Timberlee, was at St. Mark on Sunday, February 14th. He met with parents and kids and gave them great information about the camp and answered questions. He even brought a snake named Dean! This camp has so much to offer, and it is a great opportunity for kids to connect with Christ through a dynamic camp experience.

All kids are welcome to attend camp. However, in order to earn service points, a facilitator is needed to lead this effort. Please prayerfully consider volunteering your time. Questions? Contact a member of the Parish Ed team; Patty Lindholm at palindholm@ameritech.net, Jane Milani at lymom76@att.net, or Lori McKenzie at lorimckenzie119@gmail.com.
