June / July 2021

President's Notes

By Joni Wasmund

I just returned home from attending the ALICE presentation given by our own Al Maciareillo. Al, Sarah, and their two daughters have been members of St Mark for a number of years. Both Al and Sarah are employed in law enforcement and the last couple of years we have richly benefited from Al's leadership as Chair of our Safety & Security Committee.

Al is on the Riverwoods police force and is certified to teach multiple courses, one being ALICE. ALICE stands for Alert Lockdown Inform Counter Evacuate. This method has replaced the former standard of lockdown alone as the primary tool to prevent lost lives due to violent activity across the nation, particularly that of active shooters. After this single hour, I have a significantly greater awareness of how to respond to a potential threat. Prior to the training, I'd have used the word react instead of respond and I have no doubt those who attended would say the same.

This training was open to all members on May 1 & May 15 but only a handful took advantage of the opportunity, perhaps because we have a lot of other things to do on Saturday mornings. I see Al's time as a gift to the congregation and only after listening for the short hour is one aware of the difference it makes to one's level of awareness. I don't only want to encourage everyone to attend this presentation, I would like to make it available between services on a Sunday morning while we still have ample time in the absence of our fellowship hour (*temporary absence!*). It won't be mandatory, you won't see shocking, disturbing videos of gunfire, but you will find yourself walking into stores and restaurants with a much greater awareness of your surroundings.

From the Desk of Pastor Breum

Watching the worship service online, sitting in your pajamas and drinking coffee, is a dream come true for some. For others of you it is a way to stay connected to the church until you feel safe to return. In recent weeks there have been a number of you returning to worship in the sanctuary. Sometimes you truly do not know how badly you miss a person until you see them, and your heart goes out to them. Being reunited in worship is a wonderful experience. It is like attending a family reunion and you see your favorite cousin that you have not seen in a long time. There is so much to talk about, and it is energizing. Close Christian friendships are one of the best parts of belonging to Jesus.

For those at home, thank you for participating in Holy Communion. Whether here in the sanctuary or in your home, Holy Communion is a sacred time of being touched by the Presence of God. The Body and Blood of Christ unites us all. What a wonderful gift!

Psalms 145:13(NLT) *"¹³For Your kingdom is an everlasting kingdom. You rule throughout all generations. The LORD always keeps his promises; He is gracious in all he does."* Friends, in these days of trouble, verses like this one are there to encourage you, to build up your endurance, and to fill you with hope. It is vital for all of us to counter the bad news of the day with the Good News of who God is and all that God has for us. Living by faith means we know God sees all that is happening and asks us to never lose trust in Him. God's goodness always outweighs the badness of this fallen world. God's light is always brighter than the darkness of our times. God's love is always more powerful than the hate that is everywhere.

Living by faith means we cling to the promises of God knowing full well that God is always true to His word, true to His promises for all eternity. God's grace never grows dry. In various parts of the country there is a gas shortage. With God there is always an ample supply of His grace.

Let us pray. Dear Heavenly Father thank You that Your kingdom is everlasting. The kingdoms of this world are all passing away but Yours remains forever. Please rule completely over our lives and thank you that your grace is always sufficient for our lives day in and day out.

This we pray in the name of Jesus. Amen.

Thanks a bunch to the family of St. Mark Lutheran Church. The cards have been wonderful and encouraging to me.

Thank you so much,

Betty Pischke

MISSOURI MUSINGS

BY BOB YARBROUGH

Traction

In a college class we were assigned a sermon to read by the New England pastor Jonathan Edwards (1703–1758). It was called "Sinners in the Hands of an Angry God." Preached in 1741, the sermon is still worth reading today. It was based on the words of Deuteronomy 32:35 (KJV): "Their foot shall slide in due time."

You can read this sermon at: <https://digitalcommons.unl.edu/cgi/viewcontent.cgi?article=1053&context=etas>

Pastor Edwards paints a moving and frightening picture of people sliding into judgment. It's a frightening thought. How can we keep moving upward and closer to God in our life of faith in Christ? How can we keep our foot from slipping?

You could say it's a question of traction. "Traction" is the grip that a tire has on a road surface. Here in Missouri, we live on a steep ridge. Every direction is down a steep hill. Our vehicles are all wheel drive because otherwise we wouldn't have enough traction to get up our gravel road. My John Deere 3038e tractor has chains on all four tires. Otherwise, in mud or snow it wouldn't get traction.

Without traction, you may not be able to avoid sliding down. And you sure won't have enough tire grip to climb a steep grade when there's snow or mud.

Jonathan Edwards observed that in the Bible God's people often slipped away from God. They often disobeyed his laws and went their own way. God withheld judgment for months, and years, and even decades and centuries. But at a time of God's choosing, he let them fall into the pit they had dug by disobeying their God.

Their foot slid or slipped. They lost traction.

One of Jesus' half-brothers, Jude, has great advice about keeping traction:

²⁰ But you, dear friends, by building yourselves up in your most holy faith and praying in the Holy Spirit, ²¹ keep yourselves in God's love as you wait for the mercy of our Lord Jesus Christ to bring you to eternal life. ²² Be merciful to those who doubt; ²³ save others by snatching them from the fire . . . (Jude 20–23 NIV).

In these words we see what traction looks like. First, "keep yourselves in God's love as you wait for the mercy of our Lord Jesus Christ to bring you to eternal life." Pastor Breum often mentions death and dying. He urges us to trust in Christ and grow in Christ so our hope in him trends stronger as we age and grow closer to meeting God face to face. When we live in a state of readiness to meet the LORD God our feet are not slipping. We have traction.

Jude also mentions "building yourselves up in your most holy faith and praying in the Holy Spirit." Growing in faith and prayer are like tire chains: if we are moving toward the LORD we will not slide back into spiritual lethargy or flat-out sin.

Jude also says, "Be merciful to those who doubt; save others by snatching them from the fire." This is outreach. This is sharing Christ. This is evangelizing. If we are sharing Christ with others, showing them mercy, and doing the hard work of "snatching" others "from the fire," we will not be sliding and slipping ourselves. We will be holding on to God and Scripture in prayer, worship, and service.

Under severe conditions, my John Deere tractor will break traction. A wheel will spin. Stop right there. There is a special pedal. Push it: it locks all four wheels. Traction is regained. The tractor crawls out of the tough spot.

Jude's teaching is like that tractor pedal. God put it there for us so our foot won't slip.

St. Mark Council News

To keep you better informed about Church Council decisions we briefly present the major items from our May 11, 2021 meeting. Should you desire in-depth information, please go to <https://smlc.info/minutes/> for additional Council and Committee minutes.

Important decisions from the May Council meeting:

The Council was pleased to welcome Tom Mathisen and Taylor Schultz, Camp Timber-Lee Executive Director and Public Relations Manager to the May Council meeting. Tom and Taylor attended the meeting to express their sincere appreciation to St. Mark for our long relationship and continued support. Jane Milani, also present on behalf of Parish Ed, presented Tom and Taylor with a check representing partial payment scholarships from St. Mark's Endowment Fund to support 4 of our youth who will be attending camp this summer. One of the 4 youth also earned sufficient points for her additional funding! These kids are going to have a great time this summer as they experience the summer's theme of "Great Expectations" and focus on 1 Peter 1:3. The goal for the year is to instill hope into the campers.

A motion to formally accept Emily Leeds' resignation was accepted unanimously although very reluctantly. We will all miss Emily and Geoff tremendously. God blessed us with Emily's talents for a short time and we are thankful. God is good all the time and all the time, God is good. We know He has good plans for Emily and Geoff and for St. Mark.

Council discussed the potential for easing the COVID related practices St Mark has been following with the "bridge phase" beginning in Illinois on May 14, 2021. The South doors will now be open for entry and exit. The North doors will remain "exit only" to ensure current sign-in procedures remain manageable. Two communion tables, one at each end of the narthex, will accommodate the flow of those exiting through each of the doors. The offering drop-box is now located below the bulletin board, outside the mailroom. Additional practices we've been following since last summer will be reviewed during the June Council meeting in anticipation of IL entering Phase 5 and future recommendations of both the IL and Lake County Health Departments. Please continue to wear masks inside the building and practice social distancing as many in our congregation have not yet been fully vaccinated.

The next Council meetings are scheduled for June 8 and July 13, 2021 at 7:00PM.

President's Notes *continued from Page 1*

I refer to this as a gift because each of us is being used by God in one way or another at St. Mark and God is using Al to teach us something God wants us to know. Jesus warned us of the evil to come as we approach the end times and this violence that we're seeing in today's news is only the beginning. This training is not designed to scare anyone, and it doesn't, it just makes us aware of our surroundings and how to respond if we ever have to.

Secondly, we have finally reached the Bridge phase of Covid restrictions and are so very thankful that the potential to reach Phase 5 is within reach. We have been following the recommendations of the CDC, IL Dept. of Health and the Lake County Health Dept. all along and we will continue to do so. We will also remain cognizant of the fact that although each of us is responsible for our own health and what we need to do to protect ourselves, we are the Body of Christ, here to protect and encourage each other and not to put others in harm's way. We will ease up on the processes we have in place as soon as we can to get life back to normal but if we need to continue a process for a little longer than what might seem necessary, please understand that there's a good reason for the delay. We're all in different places with this return to normal process and it might be even more challenging to get back to normal than it was when changes were implemented last year. But... we know that suffering produces perseverance; perseverance, character; and character, hope (Romans 5:3-4) and we sure do have hope that this is over soon! Stay tuned for more updates after the Council meeting on June 8th and until then, please share your thoughts with me or with a Council member so we can thoughtfully consider them while making decisions.

Praising the Lord for His love and protection over us,

Joni Wasmund

Seeking God Through Prayer in Challenging Times

Read a wonderful example of how we can and should pray to God offered by the apostle Paul in Ephesians 1:17-19a ¹⁷ God of our Lord Jesus the Anointed, Father of Glory: *I call out to You on behalf of Your people.* Give them minds ready to receive wisdom and revelation so they will truly know You. ¹⁸ Open the eyes of their hearts, *and let the light of Your truth flood in.* Shine Your light on the hope You are calling them to embrace. Reveal to them the glorious riches You are preparing as their inheritance. ¹⁹ Let them see the full extent of Your power that is at work in those of us who believe, and may it be done according to Your might and power.

The Worship and Music Committee has posted the *2020 Three Days of Prayer Brochure* on the St. Mark website under **Resources**. We prayerfully request you include these various petitions as part of your devotions for our church families, Pastor, staff, church council and committees and for the life of the world during this church year. Also check with Deb, at our church office, for online prayer time with Pastor Breum. Pray for our members who appear in the Church Directory on the same page as you.

One can pray silently, out loud or in concert. We pray in unity of the Holy Spirit from the St. Mark's Lutheran Church weekly prayer chain list, the 2020 *Three Days of Prayer* brochure and lift concerns for our community, state, nation and worldwide. "This is the confidence we have in approaching God: that if we ask anything according to his will, he hears us. And if we know that he hears us – whatever we ask – we know that we have what we asked of him." 1 John 5:14-15

Congregational Life is looking for photos and/or mementos from the groundbreaking and the beginning of St. Mark Lutheran Church. If you have any please email them to brooke.frusti@gmail.com or bring them to church. All photos and mementos will be returned!

MONTHLY BENEVOLENCE HIGHLIGHTS

Youth Missions & Kindred Life

For the past few summers, St. Mark has teamed up with YouthWorks to provide opportunities for our students to serve and share the gospel.

Benevolence from St. Mark helps students to go on these trips at nearly half the cost, allowing cost to *never* be a reason a student cannot go! It also helps us purchase the necessary supplies and tools needed for our trips.

These mission trips open a new perspective for our youth, one that's different from their everyday lives.

Whether they are serving the homeless in a soup kitchen or painting the home of an elderly neighbor, they find value and understanding in Jesus' words:

"For the Son of Man did not come to be served, but to serve"—Matt 20:28

This summer we head to Louisville, KY to serve in shelters, kids ministries and labor projects.

Pray for us as we travel and serve. That God would use us to bless this community and that he may create a servant heart in our youth.

What's on the Shelf?

God Took Me By the Hand

By: Jerry Bridges

This month's selection, *God Took Me by the Hand*, is by Jerry Bridges, author of the *Left Behind* series. His life is a remarkable story of God's providence. From "a most unpromising beginning" as a poor kid from the wrong side of the tracks, he joined the Navy, went to college, became an engineer, joined The Navigators as a missionary, and eventually became a best-selling author. In this book, Jerry illustrates through his story—and then summarizes for the reader—seven key "spiritual lessons" that God has taught him through his 83 years. These lessons can be passed on to any believer. This book can be found under call number 92 BRI.

Prayer Shawl Ministry

A **Prayer Shawl** is knitted/crocheted with a prayer said at the beginning and end of each work session to cover the recipient with God's blessing and warmth. The shawls are presented to a person having any kind of struggle, medical or mental, to assure them of God's constant love and involvement in their life!

There are **Prayer Shawls** available in various sizes and colors, just for the taking! Just ask Deb Zuchowski to show you the location and pick whichever one you like. I only ask that you sign the sheet on the top of the box, so that we may keep track of who has received one. You may take as many as you need for anyone you think needs one.

There is also quite a bit of yarn up there, especially perfect for Granny Squares. Even if you just want to crochet the squares, someone will gladly fasten them into a shawl.

We will have a **Prayer Shawl Event** the weekend of June 12-13 in the Narthex, displaying the shawls and boxes of yarn we have! Please look over our inventory and take what you feel you can use. Please contact Gae Michal if you have any questions at gmichal48@gmail.com.

Open Arms Food Pantry

Thank you to all of you who continue to support the Open Arms pantry by filling the **Yellow Food Barrels** and through monetary donations! Your support of this program is much needed and very much appreciated! Please keep the donations coming!

Summer collection items are: Adult Pull-ups (Medium & Large), Bar Soap, Dish Soap & Baby Wipes

Please consider donating at
